Crops Field Day Set For Tuesday

The Vegetable Crops Field Day for the Everglades Experiment Station is planned for Tuesday, May 4. The program will start at 9:30 a. m. at the sweet corn disease nursery on the farm of O. B. McClure, located near Pahokee. The afternoon program will begin at 1:30 p. m. with an assembly at the Station. Short discussions of the work in progress will be given by the staff members involved in the work. This will be followed by field tours which will include variety trials with sweet corn, snap beans and celery, pre-and post-emergence weed control experiments with sweet corn and onions, fertilizer and nutritional spray experiments with sweet corn, peppers, and blackeye peas, corn earworm insect control, corn earworm resistance studies and research with virus diseases.

As a preliminary to this field day, Tuesday, April 27 was set aside for observation of sweet corn plantings in the disease resistance nurseries at the O. B. McClure farm near Pahokee. This was done for the convenience of those who are primarily interested in sweet corn and unable to attend the general Vegetable Crops Field Day on May 4.

May 11 Date Set To Ask Bridge Bids

Bids for two more new bridges in the Everglades will be opened May 11, by the State Road Department, County Commissioner Paul Rardin reported this week. Commissioner Rardin said he had been notified by Dave Turner, member of the State Road Board, that bids on bridges at South Bay and Lake Harbor will be in the May highway letting.

Construction of these two spans will complete a four-bridge project in the Glades which has been pushed for some time by the county board. Completed is a new bridge at Canal Point and under construction is a new span at Six Mile Bend. The commission this week, approved a plan offered by Commissioner Rardin which will add another section of road to the Everglades highway network. Vice Chairman Ben Sundry and Rardin said the new project was Okeelanta Road West of Highway 27 and that plans had been worked out between adjacent property owners and the county whereby the cost of the new road would be borne by both groups—the property owners putting up about two thirds of the cost and the county furnishing supervision and plans for the road and paying one third of the construction cost. Rardin, Sundry, County Engineer Steve Middleton and County Attorney Harry Johnston were named to a committee to work out plans for the cooperative project.

Christian Science Group Of Canal Point

How the selfishness and egotism which would impede man's spiritual progress can be overcome obedience to God, divine Love, will be brought out at Christian Science services Sunday.

The Lesson-Sermon entitled "Everlasting Punishment" includes the following verses from the King James Version of the Bible:

"As many as I love, I rebuke and chasten: he zealous therefore, and repent. Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me" (Revelation 3: 19, 20).

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will also be read:

"In patient obedience to a patient God, let us labor to dissolve with the universal solvent of Love the justification of error,—self-will, self-adoration, and self-love,—which wars against spirituality and is the law of sin and death" (242:15).

The Golden Text is from Job: "Surely it is meet to be said unto God, I have borne chastisement, I will not offend any more" (34:31).

**Belle Glade Postal
Receipts Reach An
All-Time High**

Belle Glade postal receipts for the March quarter of 1954 reached an all-time high this year with a total of \$14,689.66 compared with \$13,654.27 for the same period in 1953, according to Postmaster George P. Farnall.

The local post office, according to Farnall, advanced to third class in 1931, just one year after he became postmaster, and has steadily reflected the growth of Belle Glade since that time. In 1940, the office advanced to second class, just one year later than Pahokee and Clewiston, and advanced to first class on July 1, 1953, while the two other Glades offices still remain as second class.

In 1940 when the office advanced to second class the office personnel consisted of the postmaster, two regular clerks and one part-time

substitute. The personnel now consist of the postmaster, assistant postmaster, four clerks, one regular carrier, one auxiliary carrier, two substitutes who perform the duties of both clerk and carrier, and one combination janitor and special delivery messenger.

City delivery service was started April 1, 1950, just six months prior to moving into the present new quarters. Three extensions to delivery service have been granted since 1950 — one Jan. 16, 1953, another on Oct. 1, 1953, and the latest on Jan. 15, 1954.

John Ogle, who has been stationed by the U. S. Navy at the Norfolk Naval Base, is spending a 10-day leave here with his wife, Mrs. Clara Baxter Ogle, and his mother, Mrs. Claude Santee, and family. He will report for re-assignment in the Navy at Portsmouth, Va., on May 4.

Road Maps Have Change Series

"Motorists taking to the open road this year will find better highways and shorter routes than ever before, if the changes necessary to up-to-date last year's Sinclair road maps for the 1954 series are any indications, F. J. Fisher, local area sales manager of Sinclair Refining Company predicted this week.

More than 15,000 mapping changes were made for Sinclair's newly published 1954 road map series to reflect highway and other touring improvements made in the past year, Mr. Fisher said.

Elliott Is Pleased With Progress Of His Campaign

"I am greatly pleased with the manner in which the voters of Palm Beach County are receiving my candidacy for re-election as State

Representative," Rep. B. Elliott of Pahokee said yesterday as he swung into the final days of his 3-months campaign, during which time he has visited every precinct in the county. "As my platform, I offer my record of five terms of service in the House of Representatives and will sincerely appreciate consideration at the polls when election day rolls around," the automobile dealer-legislator said. The Pahokee lawmaker was first

elected to the House in 1944 and has been returned four more times without opposition, setting a record in political history in the county. He served as Speaker of the House in 1951-52, being the only man ever elected to this high position from Palm Beach County. During his tenure in the speaker's chair not once did any member of the House appeal one of his decisions, proving the fairness with which he wielded the gavel. In gaining the Speaker's

chair he set another record when he was elected on the second ballot over two opponents.

Representative Elliott is proud of his attendance record in the House. During the ten years he has served he has answered every roll call, including as many as three a day at morning, afternoon and night sessions and has never been absent from any session. In the perfect attendance line he has an unbroken 24-year record in the Pahokee Rotary Club where he served as president and is one of the charter members.

Asked to comment upon progressive and worthwhile legislation sponsored and passed by him during the 10 years in the House, Rep. Elliott pointed out a few of his many accomplishments. Among them are the following:

Creation of Central and Southern Florida Flood Control District. Legislation increasing old age pensions from \$50 to \$60.

Legislation creating Boy Scout Camp near Jupiter.

Establishing the minimum foundation school program.

Sponsored bill permitting use of \$5 P Tag.

Establishing and bringing to Palm Beach County the Southeast Florida Tuberculosis Sanitarium.

Introduced and passed HB93 increasing school teachers salaries.

In placing his record before the voters of the county, the Pahokee legislator also spread before them his personal history. He came to Pahokee 32 years ago, having been born and reared in Bell Falls, Texas. He has been an automobile dealer in Pahokee since his arrival. He has a wife, three sons and a daughter. He is a member of the Methodist Church and a member of the board of stewards. He is a member of the Masonic Lodge and of the Elks Lodge, having served as exalted ruler of the Elks for three terms and district deputy grand exalted ruler one term.

In the 1949 session of the legislature Mr. Elliott was awarded a "Certificate for Meritorious Public Service as the Most Effective Member in the House of Representatives." This plaque hangs on the wall of his office and he is genuinely proud of its presence there. Another framed article on his office wall is a reproduction of the front page of the Belle Glade Herald in which the Palm Beach County legislative delegation was cited in 1951 by the Belle Glade Elks Lodge for "integrity, ability and statesmanship."

Mr. and Mrs. J. W. Wood of Miami spent Sunday in Pahokee visiting Mr. and Mrs. Bruce Williams and other friends.

Charley Johns thinks that the candidates for the office of Governor could get a lot of sound ideas for Florida's state government if the voters would just speak right out and say what they think Florida needs and what they want done.

Charley Johns believes that the voters might like to have a chance to tell the candidates what they think in addition to being told what the candidates propose to do.

Charley Johns knows that the average person hesitates to put his thoughts on paper and send them along to the candidate.

So This Is an Open Invitation to you as a citizen interested in good government to write Charley Johns and say what you would like to see his administration do during the next two years.

Write Today... some of the ideas received can be put to work for a better Florida right away. Just send a post card or a letter. Address it to Charley E. Johns, Governor's Office, State Capitol, Tallahassee, Florida... or use the coupon below.

Cinematic Chatter

By Malcolm Miller

Hello everybody! In a short time you will be viewing a picture in which Tony Curtis portrays Harry Houdini in the picture story of his life, under the title, "Houdini". Harry Houdini, in his day, back in the early nineteen hundreds, was known as the worlds greatest living escape artist. A daredevil and master showman Houdini broke house records all over the United States and in Europe. I remember he played in my home town, Seat-

tle, Wash., around 1910. It was announced through the press that Mr. Houdini on a certain day and at a certain time would be placed in a straightjacket, handcuffed, and tossed into Elliott Bay off the ferry pier on Front Street. At the scheduled time a huge crowd lined the pier and watched with baited breath as Houdini was laced into the straightjacket, handcuffed and wrapped in irons. The master showman stood and looked at the vast audience as the announcer gave the "send-off" talk. A large crane lifted Houdini into the air and deposited him in the bay with a

splash. A hush fell on the crowd as the waters settled over his head and they waited in stunned silence as the master battled his way out beneath the waters. Suddenly the escape artist's head bobbed above the ripples and he waved the straightjacket in the air. A mighty roar of approval rent the air as they lifted Houdini onto the pier. A woman turned to her companion and snorted disgustedly: "Humph!

It that all there is to it?" The two ladies walked away disappointed that the great Houdini had escaped so easily. See you at the movies—Mal.

Mr. and Mrs. J. S. Chastain and Miss Dorothy Chastain were the week end guests of Mr. and Mrs. Clyde Griffin in Tampa. Miss Chastain remained for several days' visit.

Pat Kumer Is Wed To Russell Sims

Miss Patricia Mae Kumer, daughter of Mr. and Mrs. Frank Kumer, 3004 Broadway, West Palm Beach, became the bride of David Russell Sims, son of Mr. and Mrs. Bennie Clarke Sims, Canal Point, in a double ring ceremony at St. Ann's Church, West Palm Beach, Satur-

day, April 24, at 3 p. m., with the Rev. Martin V. Jarreau, S. J., officiating.

Floor baskets of white gladioli against a background of potted palms made up the floral setting for the ceremony.

The program of nuptial music was presented by Mrs. Rose Marie Finocchio, organist.

The bride, given in marriage by her father, wore a gown of alencon

lace and misty nylon tulle fashioned with a molded bodice and short sleeves of lace with matching point to hand gauntlet. A tiny lace stand-up collar trimmed with seed pearls accented the illusion neckline. The bouffant skirt was of misty nylon tulle over satin with lace scalloped panels that swept into a chapel train. A matching lace cap studded with seed pearls and sequins held the three-tiered illusion veil. She carried a cascade bouquet of white carnations and tuberoses centered with a purple-throated white orchid.

Miss Ann Brencich of Lexington, Mass., maid of honor, carried a colonial bouquet in shades of pink and wore a matching headband of flowers. Her ballerina-length gown of aqua silk magashen was fashioned with molded bodice, rolled off-the-shoulder collar and very full skirt.

The Misses Mary Ellen Sims of Canal Point, sister of the bridegroom, Nancy Reller of West Palm Beach and Jo Ellen Britton of Riviera Beach, who served as bridesmaids, were in gowns fashioned the same as that of the maid of honor. They carried colonial bouquets in pastel colors and wore matching headbands of flowers.

Four-year-old Peggy Olson of Pahokee, cousin of the bride, served as flower girl. Her pink taffeta frock had a swirl of wide ruffles edged in lace and she wore a headband of pink sweetheart roses.

Bennie F. Sims of Canal Point was his brother's best man. The

bridegroom's brother, James C. Sims of West Palm Beach and his two uncles, Howard V. Sims and Harlow C. Sims, both of Pahokee, served as ushers.

Mrs. Kumer chose for her daughter's wedding a taffeta print dress in shades of blue, with pink accessories and a corsage of pink roses Mrs. Sims, the bridegroom's mother, wore aqua lace over taffeta with white accessories and a corsage of white gardenias.

Following the ceremony a reception was held in the George Washington Hotel, West Palm Beach, where the bride's table was decorated with Oregon grape and white pom-poms and centered with a three-tiered wedding cake.

The bride changed to a pink linen suit with navy and white accessories and an orchid corsage before the couple left on an extended motor trip to the New England States and Canada, with stop-overs at Niagara Falls and New York City.
